

JATLIN

ELECTRONICS

WHO WE ARE

BACKGROUND

We are a leading contract manufacturer specializing in communication cables, wire harnesses, smart energy meter module assemblies, and various other electronic component fixing and PCB soldering services.

VALUES

Our Founder Mr. Akshay Kumar Mali had humble beginning in the year 1997 in the city of lakes UDAIPUR. His vision is to make the city as a prominent Hub for electronics manufacturing

GOALS

Our aim is to be a pioneer in electronics contract manufacturing business & Deliver true world class products to our prestigious clients.

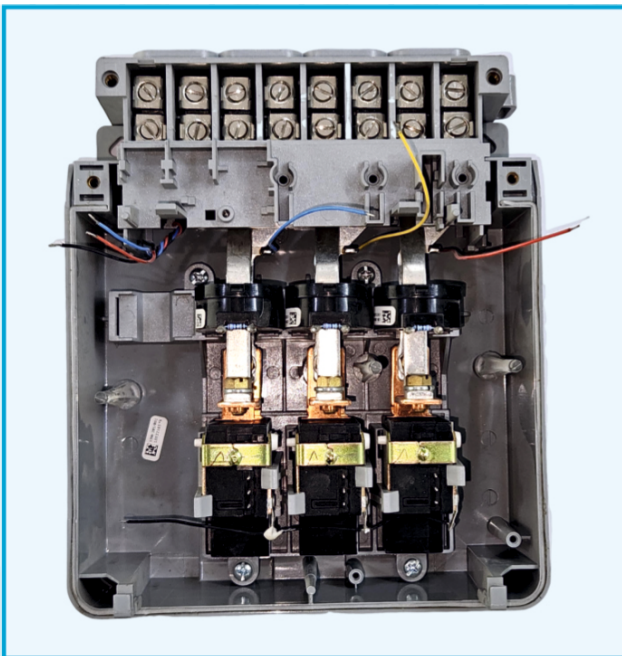

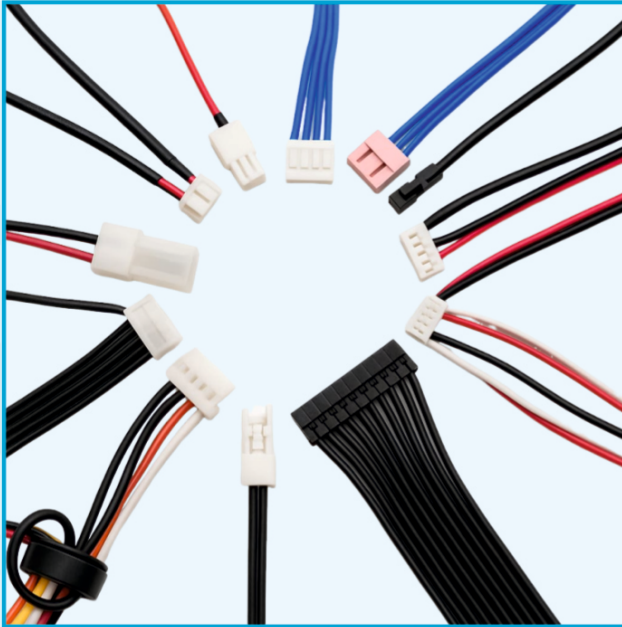

Infrastructure & Facilities

Spread over area of 15000 sq ft with covered area, **Jatin Electronics** is fully self contained establishment with infrastructure and provision of customer backup at all stages from concept to testing and manufacturing. It has its own assembly & quality assurance, testing, inspection by professionally qualified staff and quality conscious skilled work force. We have well equipped & esd safe working area.

Fully Equipped Assembly Lines & Testing Facility

Our facility features streamlined, ESD-safe assembly lines for efficient and high-quality production of electronic components. Every product undergoes thorough testing and quality checks, ensuring reliability, performance, and compliance with industry standards. This setup allows us to deliver consistent results for clients like Secure Meters and Pyrotech Electronics.

PRODUCTS & SERVICES

WIRE HARNESS ASSEMBLY

- JST Harness
- Molex Harness
- Lug Crimping
- Terminal Crimping
- Ferrule Crimping

SMPS TRANSFORMER

CURRENT TRANSFORMER

SPECIALITY COMMUNICATION CABLES

On demand custom manufacturing of communication cables for different protocols

1. RJ45 TO DB9 SERIAL CABLE
2. RJ10/11 TO DB9 SERIAL CABLE
3. OPTICAL PROBE CABLE
4. USB/MICRO USB OPTICAL PROBE
5. LAN CABLE

BASE ASSEMBLY MODULES

- Custom base assembly for smart energy meters

Achievements:

ZERO DEFECT PRODUCT MANUFACTURING

Our Clients :

The company has successfully garnered huge clientele over the years since its inception. Some of the major ones are mentioned below:

SECURE METERS LIMITED, UDAIPUR UNIT

PYROTECH ELECTRONICS PVT. LTD.

KUNDAN ELECTRICAL & COMPONENTS PVT. LTD.

SECURE METERS LIMITED, SANAND UNIT

HERCULES CONTROL PVT. LTD.

CYAN TECHNOLOGIES LTD.

SECURE METERS LIMITED, BATED UNIT

SILICON TECHNOLOGIES

KUNDAN SWITCH GEAR PVT. LTD.

MONAD ELECTROTECH
